When her gentle care is gone! Things we prize are first to vanish; Hearts we love, to pass away, And how soon, e'en in our childhood, We behold her turning grey; He eye grows dim, her step is slow:

Her joys of earth are past; And sometimes ere we learn to know her, She has breathed on earth her last.

Older hearts may have their sorrows, G lefs that quickly die away, But a mother lost in childhood, Grieves the heart from day to day. We miss her kind, her willing hand, Her fond and enrnest care; And oh! how dark is life around us, What is home without her th re?!

NEBRASKA TERRITORY.—Iron ore has been found in Platte Valley in this territory. On the night of the 16th ultimo, a large number of horses were stolen by Indians from P. A. Sarpy's herd at Belleview. A company of men had started in pursuit. On the same day, Major Geo. Hepner, accompanied by six men, started with the Otce Chiefs to select a location for that tribe somewhere on the Blue river, near new Fort Kearny. At Belleview, active preparations are being made for the erection of buildings. A hotel printing office, and several private dwellings will soon be complete and occupied.

BEAUTIFUL INSCRIPTION. - A correspondent of the Cleveland Herald, who has been traveling along the romantic shores of Lake Superior, says that he was lately rambling in the neighborhood of Marquette, when he came upon an Indian burying ground. One grave, covered with birch bark, was beautifully situated between two maple trees, whose green boughs met over it in a leafy arch. At the head of the grave was a rude cross, on which was marked New kan nis ne ba, (My brother sleeps.) How full of beauty and poetry was this simple inscription!

CELEBRATED REMEDY FOR CAN-CER, ULCERATED SORE THROAT, WHITE SWELLING, BRONCHI-TIS, DROPSY, AND ALL DISEASES ARISING FROM THE IMPURITY

OF THE BLOOD.

Prepared by J. L. KIDWELL, Chemist, Georgetown, D. C. The estimate that is now accorded this preparation by the medical profession and by others com petent to judge of its merit, may be seen in the fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of

the Edinburg College, Scotland, by whom it has been successfully used in a career of an aggravated The proprieter has been forced to make more extensive arrangements to meet the rapidly increasing

VINCENNES, INDIANA, Oct. 3, 1854. J. L. Kidwell-Dear Sir: Some three months ago, through the agency of Col Smith Miller, our representation in Congres, I had purchased of you. for the use of my father in Scotland, one dozen Pottles of Beech Drop or Cancer Preparation. I have a letter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the di ease is arrested. I may add that my father has tried every physician of distinction in Scotland and England, including Profes sors of Edinburg and Collieges, without relief. The disease was of three years standing, began in the right cheek, which is partially consumed. He was a sufferer with constant pain, which has entirely

This case will give your preparation a popularity in Britein which no other medicine has. Direct to William Dick, Esq , Collydean, by Leslie Scotland, in care of Mesars. Pentoed, Clay & Ge., Druggists, N. York, who will forward it. JAMES DICK.

Mr. Flint is a man of great influence in his county, and will with pleasure communicate with any one in reference to his case.

CALLAWAY COUNTY, MISSOURI, July 13th, 1854. }
Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency. For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so borrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using it, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrotula in any form

Enclosed you will find an order from some friends for the preparation. Very truly, JNO. C. FLINT. For sale by Druggist' and Dealers in Medicines in Washington, Alexandria, and Baltimore. oct 14-d3m
